Keep on Wrestling

By Coach Short

I know as spring wore on into May, many wrestlers and parents were feeling like Jake and myself; not enough minutes in the day or days in the week to fit it *all* in. When sport seasons overlap scheduling is a challenge. Jake was doing a lot of wrestling which he enjoys but was also looking forward to a summer of traveling baseball. As I told Jake in our busy month of May, there are only a couple of opportunities left to compete. For Jake and many of his youthful peers it will be time put down the wrestling shoes for three months and play another sport.

Cadets who chose to compete at Northern Plains this was an excellent opportunity to continue developing your skills prior to National camp in July. When opportunities to practice are made available, take advantage. Championships tomorrow are made today.

Thank You, Thank You!

The Board Members of the IGH Wrestling Club would like to extend a huge *Thank You* to the many parents & wrestling fans and wrestlers that gave of their time and talents as the IGH Wrestling Club hosted an AAU boys basketball tournament this past April. Everyone's attention to details and your genuine hospitality made for an enjoyable basketball tournament for many young men and their families.

Money raised through concessions and the admission fee go directly back into our wrestling program. Funds raised help support the efforts of offering every wrestler in our program opportunities to learn, to achieve and to go as far as their talents, abilities and determination will allow them. Thank you for supporting Simley Spartan Wrestling.
